SLINGSBY C.P. SCHOOL NEWSLETTER

Friday March 3rd, 2017

Parents Evening

Letters for this have gone out today and appointments will be made on a first come first served basis.

Seeing is Believing

Letters for this have also gone out today and again, appointments will be made on a first come, first served basis.

FOSS News

March 21st – FOSS Open Meeting in school at 7pm. All welcome.

Woodland Wander – Sunday April 2nd

Scarecrow Trail – Saturday April 29th, Sunday April 30th and Monday May 1st. Please see letter.

Students in school

We would like to welcome Miss Georgia Wynn into Class 2. Miss Wynn is a second year teacher trainee. She is working alongside Mrs Jordan and Mr Smith to get to know school and the children. Megan Chafer continues work in school during her Enrichment time from Malton School. We are delighted to report that she has had an offer from the University of Leeds, the University of York and the University of Lincoln to study adult nursing. Megan will be a fantastic nurse and we will miss her when she goes!

Red Nose Day

This is on Friday March 24th and we are simply asking the children to wear an item of red clothing. Any donations received will be passed onto the Red Nose charity. Red Noses are available now from the school office – get them here!

Monday March 27th Year 5 children

Mrs Metcalfe and Mrs Magson will be taking the Year 5 children to Malton School to see a production of Joseph and the Amazing Technicolour Dreamcoat. Due to limited space Malton have only invited the Year 5s. A permission slip and letter will shortly be sent out.

Class and group photographs - June 13th, 2017

A number of parents expressed concern over the quality of the individual photographs. Following on from this school has arranged with Phototronics (Scholastic) to come and take the next photos. We hope that these are better received by you all.

Swimming Plea

Thank you to those parents who have been able to help out with swimming, it is greatly appreciated. Mr Mortimer has asked if there are any dads/grandpas who would be able to help out each Thursday, as due to the size of class we have to split into 2 changing rooms. Please see Mr Mortimer or ring the school office if you can help. He could also do with 1 or 2 more helpers each week if at all possible.

Norton pool were not willing for the children to use their own armbands or rubber rings as they stated that all equipment would be provided. Therefore it is not necessary to send any along. The buoyant life vests, however, were fine. Please provide a carrier bag for your child's wet things.

Lego

Thank you to anyone who has donated lego, we now have a fantastic collection and the first lego club was held last night and proved highly successful.

Staff News

Staff and governors held a very useful and productive 'How well do you know your school' meeting on Wednesday at the staff meeting. It was a great opportunity to meet and work together to further drive our school forward and something we will definitely do again.

Mr Smith and Mrs Jordan went to Gillamoor School this week to work with other teachers on reading moderation.

Mr Mortimer went to Gillamoor School to attend the RE Coordinators meeting and came away with some very useful ideas and information.

Mrs Swallow attended a cluster Teaching Assistant meeting at Welburn. She found this very useful too and has passed all she learned to Mrs Rough and Mrs Greenwood.
