## FOSS News

School have kindly agreed to hold a non-uniform day on Wednesday 11<sup>th</sup> July. The forfeit is to fetch in a tombola prize for the Duck Race. If you have additional tombola prizes to donate, these will be welcomed!

## Peanut Allergy

Please can we remind parents and pupils that we also have a child in school who has severe allergies to nuts/peanuts. It is very important that children do not bring nuts/peanuts, or products that contain these, to school so that we can provide these children with a safe school environment. Any exposure to nuts/peanuts may cause a life-threatening allergic reaction that requires emergency medical treatment. Some children can be so sensitive that even traces on breath or hands can cause a reaction which is why we ask that **NO** nut products come into school even if it does not directly affect the children your child tends to sit with. Thank you so much for your support, helping to assure the safety of all our children in school. For information, please use the link below: <https://www.nhs.uk/conditions/food-allergy/>

## Healthy Packed Lunch

Lunch is an important part of the day. While the school offers a hot lunch each day, children may also bring in their own lunches. If you choose to provide your child's lunch, please note that parents are responsible for providing a nutritious meal that includes dairy, protein, grain and fruits or vegetables, sweets and chocolates are discouraged. Thank you for your cooperation.
