School News

- Governor News – Mr A Wilson has stepped down from the governing body due to other commitments, including joining Slingsby Parish Council. We would like to thank him very much for all he has done for us at Slingsby School. We can honestly say that whenever we have needed his support or help he has juggled things around at work and come as soon as he could. Mr Wilson stated *'I have seen many changes over the past 10 years but I know I am leaving school in a much better place.'* We wish him all the best but know we will see him very soon as he has promised Mrs Metcalfe he will still be there to help us and is bringing his tractor to careers day!
- The Year 6 SATs results were released this week and we are incredibly proud of all the children's achievements and hard work this year. We know that everyone has done the very best they can and that is all we ask. Whilst the Year 6 SATs are important, they are a culmination of hard work from each and every member of staff in school. Thank you to Mr Smith for all his hard work and outstanding teaching too.
- Sports Day with Hovingham & St Hildas was great fun on Tuesday, the children really enjoyed themselves. A huge thank you to Mr Pope and Mr Smith for organising the afternoon.
- 14 children from years 4, 5 & 6 are participating in the Annual Howardian Alliance Swimming Gala at Ampleforth College this afternoon. We wish them all lots of luck!
- Class 1 have enjoyed having an optician's shop in their classroom. A big thank you to Louise Knock from Specsavers, Malton for lending us the equipment and apparatus.

Newsletter by email

As part of our ongoing efforts to make positive changes to help the environment and our efficiency in school, we would very much like to encourage everyone to receive our weekly newsletter by email as this generates a huge amount of paper usage each week. If you don't already and would be willing to receive the newsletter by email from September, please email Miss Hope and Mrs Massey in the office so they can add you to the mailing list at admin@slingsby.n-yorks.sch.uk.

Please see attached the revised term dates.

Accounts

Please can we remind parents that June's accounts (the last paper invoice) must be paid by cash or cheque to the school office by the end of term, Friday 20th July. If parents have paid June's account via Parent Pay, please can you let the school office know as soon as possible as a manual adjustment will need to be done as it was set up for accounts from July. All accounts going forward from July 2018 should be paid for via Parent Pay. We are currently still owed **£99** from May and **£740.40** from June broken down as £370.40 for school dinners and £370.00 for clubs. **These accounts are in arrears therefore please arrange for prompt payment as non-payment will result in the NYCC debt collection service being activated.**

Parent Pay

The whole school Sandsend Trip has been added to ParentPay. The cost of this trip works out at £6 per child and any voluntary contributions would be gratefully received.

Scampston Hall Activities

The summer holidays are nearly here, and there are lots of activities on offer at Scampston Conservatory for families and children. Phil Taylor is able to offer an array of activities for families to gain hands-on experiences with nature to help raise awareness, inspire new generations and create local action for our natural environment. They are also offering their popular Fun Days, where children can enjoy craft filled days and explore the outdoors whilst making new friends and memories. They have linked up with the Children's University and participating children will be able to get a stamp for taking part. Booking is essential and places are limited. We have recently started to offer an online booking service via our website www.scampston.co.uk/whats-on. Please see the notice board for a flyer advertising this.
