School News

- The Gillamoor Science Swap Day was a great success. KS2 learnt about classification, separation and measuring including sugar contents in food and the effects of sugar on teeth here at Slingsby. KS1 enjoyed designing and building bridges and dens at Gillamoor. It was also a good opportunity for making new friends.
- NYCC Property Services are carrying out some desperately needed repairs to the school guttering which has been leaking and causing damp for many years. We do not have a timeframe for the works but please be careful of the scaffolding while it is in place and we ask that parents keep children away from the scaffolding on the Green for their own safety.

NEW School Band

After February half term, we are very excited that Mr Conlan will be creating and leading a School Band on a Thursday afternoon from 3–3:30pm for children who wish to join who currently play a musical instrument and attend music lessons in school or at home. There will be no charge for this club.

School Uniform Supplier -

We are pleased to announce that we will be changing our school uniform supplier to a local firm who have come highly recommended. This is going to take a couple of weeks to set up but should be available for use by half term. We have closed our account with the previous supplier, School Trends, but do not worry if you have a current order with them, they will honour all outstanding orders. We do still have some surplus stock in school so if you are in need of anything urgently, please see the attached stock sheet and contact the office.

Helmsley Art Centre

There is a lot going on at half term at the Helmsley Arts Centre including “The Selfish Giant” by the Soup Soup Theatre and “Birds Nest Billy” plus the family cinema. Go to www.helmsleyarts.co.uk for more information.
