

Family SPONSORSHIP CHALLENGE

£30 PEAGREEN POTTERY voucher for the highest fundraiser

COULD YOU...
 Walk 24,000 steps in 24 hours?
 Or read 7 books in 7 days?

We threw down the gauntlet and this is what some of our families have come up with in support of our School.

The Pope family and their Lego Challenge... 30 models in 30 days, half from sets, half created from their imagination...

The Wilson girls and their 30 day Readathon... unfortunately for Mum and Dad who foolishly agreed to pay BY THE PAGE... there will be a major pay out on Sunday 12 July...

Poppy has set herself the challenge of completing a 20 mile walk in only 10 days... with the help of her brother Bear... in only 6 days she has already completed a staggering 17.4 miles!!!

Sam and Charlotte and their challenge of running 2 laps daily around their communal garden for 2 weeks... not even stopping to take a break and enjoy the beach!!!

Luca and Arlo on their bikes, ready and raring to go for their 50 laps of their lane in 5 days... can they do it??!!

Sunday the 12th of July is our deadline for donations at our Just Giving page. To date, we have exceeded our £300 target which wouldn't have been possible without your help. Thank You and Good Luck!
