

For any of you that need to self-isolate below is an overview of what we will be doing in school this week. Resources will be added to the school website via the additional table.

Please try to ensure that children are reading for at least 15 – 20 minutes per day (after lunch is a good time). All of the children know the times tables that they are learning and if they want to practise they can use [Hit the Button](#) or can have a go at loads of games or a test online at [timestables.co.uk](https://www.timestables.co.uk). As you are all aware now, Mr Smith has set up individual accounts on [Sumdog](#) – it has been to see that many of you have been getting involved with this. Joe wicks is back doing regular new home workouts so you can keep active at home – he will be uploading new workouts on Monday, Wednesday and Friday each week but you can always go on to his [Body Coach TV](#) YouTube channel and search for any of the old PE with Joe videos – keep moving, keep healthy!

Take care and stay well!

Mr Cash

### Morning Activities
