

Class 1 Homeschooling update

Week commencing 18th January 2021

Hello!

It was really nice to chat to you all this week and I especially enjoyed hearing from the children! It is so lovely to hear what you have all been up to and I really appreciate the feedback on the home schooling resources. Please don't hesitate to let me know what isn't working as well as what is and I will endeavour to make improvements. Keep sending in the children's work through the Class Dojo too. I really love to see what they been achieving at home!

As mentioned in the school newsletter this week, CBBC are broadcasting programmes to support home learning. The timetable for next week is here:

Monday	Tuesday	Wednesday	Thursday	Friday
09:00 Bitesize Daily age 5-7 Maths & Book Club	09:00 Bitesize Daily age 5-7 English (punctuation) & Continents	09:00 Bitesize Daily age 5-7 Science (materials) and Collages	09:00 Bitesize Daily age 5-7 Maths & Bonjour!	09:00 Bitesize Daily age 5-7 English & Wellbeing
09:20 Bitesize Daily age 7-9 Maths & Book Club	09:20 Bitesize Daily age 7-9 English (punctuation) & Co-ordinates	09:20 Bitesize Daily age 7-9 Science & The Water Cycle	09:20 Bitesize Daily age 7-9 Maths & Working out change	09:20 Bitesize Daily age 7-9 English (inverted commas)
09:40 Bitesize Daily age 9-11 Maths & Book Club	09:40 Bitesize Daily age 9-11 English & Time Zones	09:40 Bitesize Daily age 9-11 Science & Design	09:40 Bitesize Daily age 9-11 Maths & Working out change	09:40 Bitesize Daily age 9-11 English (direct & indirect speech)

As we will be making a collage this week, Wednesday's episode of Bitesize Daily may be useful. The National Trust has some resources online based around Peter Rabbit and other characters in the series if any of the children enjoy those books. The link is www.nationaltrust.org.uk/features/peter-rabbit-activities-and-games-to-try-at-home.

Reading

I will continue to share our class story on the website and we have an extra story time session each Monday where we discuss a book in more detail. This week our book is "Tidy" by Emily Gravett which will hopefully provoke lots of discussion on how we look after the environment. An extra resource you may like to look at from home is the

Words for Life website which is provided by the National Literacy Trust and designed especially for parents. There are lots of interesting resources on there as well as tips and ideas for activities associated with reading. As Stick Man proved a popular choice with the children you might enjoy this video which features Axel Scheffler reading the book <https://wordsforlife.org.uk/activities/read-and-explore-stick-man/> . May give you an opportunity for a quick cup of coffee!

This week our learning will look like this:

P.E: we will start the week by joining in with Joe Wicks.

Phonics: we will continue to practise reading and spelling tricky words and learn the new sounds, "igh", "oa" and "oo".

Dough Disco: if your child has a favourite song we could use for Dough Disco, please let me know and we will use it in class.

Literacy: the class will be receiving a letter from David Attenborough which will hopefully provide a stimulus for writing as they will need to carry out some research! Each of the children who are learning from home should receive their own copy of the letter through the post on Monday or Tuesday so watch out for the postman!

Maths: we will be learning all about volume and capacity. This will culminate in the children mixing their own fruit mocktail (heads up if you are out at the shops!)

Other subjects: we will also be learning about collage, the Seasons (Winter) and planting some spring bulbs. So lots to keep us busy!

I hope this is useful, but as ever, if I can be of any help, please don't hesitate to ask.

Kind Regards

Miss Pearce and Mrs Mitchell
