

Class 1 Chilli Challenge

Monday 18th January 2021

This week the role play area has been turned into an animal hide! Perhaps you could build your own animal hide at home. You could build it like a den (blankets and clothes pegs are my daughter's favourites!), model it out of Lego or draw a fantastic design for a tree house hide! Let your imagination run wild!

Share your results on the class dojo and I will move your chilli!
