

Class 1 Topic Amazing Animals

Wednesday 6th January 2021

This is the book we will be using this half term as we explore the topic of "Amazing Animals".

Challenge: Watch the video of Miss Pearce reading the book. Be sure to listen very carefully. Are there any words that you don't understand? Talk about them with your grown up and see if you can find out what they mean using a dictionary (if you have one at home) or by searching on the internet. The online Britannica is a good place to start <https://kids.britannica.com/kids/browse/dictionary>.

Miss Pearce and Mrs Martin would love to hear what words you have investigated. We will add these words to our word wall so please send them in...and tell us what they mean.
