

Week 3

I hope that everyone is keeping well and safe. It has been great to see some examples of the activities that you have been doing through your learning at home – please keep on sending them in, you can now send them through the Class Dojo portfolio (see Mr Smith’s Tutorial for instructions). I would like to see 1 piece of something from each of you each week. As I hope you may have seen on the newsletter, the BBC have put together a fantastic amount of resources for home learning and home teaching.

Remember to try to ensure that children are reading for at least 15 – 20 minutes per day (after lunch is a good time). All of the children know the times tables that they are learning and if they want to practise they can use [Hit the Button](#) or [Sumdog](#) or you can have a go at loads of games or a test online at timestables.co.uk. Joe Wicks is continuing doing regular new home workouts so you can keep active at home – he will be uploading new workouts on Monday, Wednesday and Friday each week but you can always go on to his [Body Coach TV](#) YouTube channel and search for any of the old PE with Joe videos – keep moving, keep healthy!

Take care and stay well!

Mr Cash

Morning Activities

	Morning Task	Maths	English
Monday	<p>Here are 6 multiplications.</p> <div style="display: flex; flex-wrap: wrap; justify-content: space-around;"> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">43×5</div> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">54×6</div> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">38×6</div> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">33×2</div> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">19×7</div> <div style="border: 1px solid orange; border-radius: 10px; padding: 5px; margin: 5px;">84×5</div> </div> <p>Which of the multiplications would you calculate mentally?
