

**Friday 22 January**

**LO: I can read my writing to an audience and assess my successes and what I might improve..**

Hello Class 3 Home Learners 😊

- Finish writing out the final version of your story. Use the traffic light system to assess how you got on with the work this week. What are you particularly pleased with? Is there anything you would do differently?
- You could illustrate it, perhaps showing what happened at different points in the story.
- Read it to the people at home! And please send a copy in to school using Class Dojo.
