**LO: I can edit my poem and choose my favourite part.**

Look at the draft of your poem. You should have four lines to your poem, or more if you have been very busy.

- Have you used the poetic devices we learned about?
- Can you add any more to your poem?
- Are you happy with it, or can you improve it?
- Because poems are usually a lot shorter than stories, we have to choose words really carefully – they have to be the very best to get into a poem. Check that you are happy with your choice of words.

Once you have finished drafting your poem, it's time to find your green pens!

Edit your poem, and remember about punctuation and spelling.

Once you have finished, think about.....

1. Of the poetic devices we've looked at, which is your favourite. Why?
2. Which bit of your poem is your favourite?
3. We have looked at a few poems this week; which one have you enjoyed the most, and why? Do you have any other poems you really like? Share them with us, and don't forget to send your own poem in on Class Dojo.

Enjoy reading your poem with the people at home 😊
