

Thursday 21 January

LO: I can edit and improve my piece of creative writing.

Hello Class 3 Home Learners 😊

It's time to find your green pens!

Read over your story, in your head and out loud.

Can you improve it? Can you use more interesting language? Check your punctuation. Full stops, commas, capital letters, exclamation and question marks and all the other punctuation we have learned about in class.

Once you are happy with your work, start your final copy. This will be good handwriting practice too. Take time and care over this. You can continue this tomorrow.
