

Wednesday 20 January

LO: I can draft and improve my piece of creative writing.

Hello Class 3 Home Learners 😊

I hope you are enjoying writing your story. We are continuing to work on our drafts in class, so please have a look at the lesson plan from yesterday if you are too.

Keep reading over your work, and add or change words if you can improve it. Remember your **Steps to Success**. For this piece of writing, these are:

- **Using interesting language.** Remember you are trying to paint a picture in your mind using words.
- **Adjectives, adverbs and fronted adverbials** will all add richness to your writing.

Enjoy your writing, and use the Class Dojo to send it in if you can.
