

Class 1 Tuesday 9th February 2021

Chinese New Year

It is Chinese New Year on Friday and this year is the year of the Ox. Each year has a different animal (mine is the dragon, if you are 5 it is the goat, if you are 4 it is the monkey).

Please look through the powerpoint with your children and talk about what they see. Can they tell you what China is like? What is a commonly eaten food? How do people prepare for New Year? What presents do children receive on New Year's Day? What happens at the lantern festival?

If you would like a challenge, why not have a go at writing your animal name in Chinese? I have attached a document with the symbols for goat and monkey. Let me see what you get up to on the Dojo.

goat

monkey
