LO: I can show my understanding by asking questions using information from a non-fiction text.

Please watch the video introduction for today's lesson. If you are not able to, then you will need to read the first 4 pages of the Report Book PowerPoint that I have included.

Today's Task:

Read the 'More information' sheet about the Hogwarts tour (*see resources*) and the 'More facts' sheet more carefully.

You are going to write 2 or 3 good quality questions based on the information you have read. Imagine that these questions are for someone who has read the same sheets to answer (you could maybe try this on a member of your family if they have time?). They can be comprehension questions or information questions. Try to make your questions really interesting!

I would like to see the questions written in your neatest handwriting and correctly punctuated.

Finish: Watch an amusing clip about report writing at
