LO: I can write a postcard to Max from the 'T Rex on Tour'.

Watch the link of the follow-on story about Max and his friend the T Rex and see how their friendship continues to develop. In the story T. Rex on tour he visits some amazing places and tells Max all about them.

Can you write a postcard using the template below that the dinosaur can send to Max after his visit to your village or Slingsby. What do you think he will tell Max? He could tell Max about Slingsby castle, about the animals that he has seen, about the climate or the scenery.

Can you draw a picture on one side and then write the postcard on the other? Remember; a postcard is an informal style of writing.

(If you have an alternative special place or somewhere that you have visited before please feel free to use this.)
