

Free writing challenge

If you have enough time this week, complete some free writing based on the image below. It could be that you write a story and your character visits or lives at the setting that the image shows. I know that some of you liked to write songs or poems when we completed free writing at school. You are welcome to do this during this free write time (which can be any length of time that you have available during the school week), but your challenge is to make whatever you write link to the image on the document. Have fun with it and get creative!

Some questions to prompt you alongside the image below:

- What animal/creature is inside the egg?
- Who are the people stood around the egg? Where did they come from? What are they doing?
- Where is the egg? Is it somewhere on Earth? Or somewhere in space?
- Has the egg been created through a science experiment?
- Has the egg been found in nature?

You can use the questions above to support your writing alongside the image if you would like, but you are more than welcome to brainstorm as many ideas as you can think of. I can't wait to see what you come up with! Even if you feel that your draft is not fully finished or there are still edits you'd like to make, it would be great to see your writing on Dojo at any point! That way, if you are not sure how to move forward with it, we can discuss it together.
