**LO: I can edit and improve my poem using the steps to success.**

Today we are going to edit, review and improve our poems. You'll need your green pen.

Before you start, watch this video:

### **Steps to success**

1. Read through your poem, and edit as you go.
2. Can you improve it? Remember, in a poem, use the best, most expressive words you can.
3. Have you included any poetic devices?
4. Does it fit the style of poem you have chosen (e.g. haiku, limerick...)
5. Read it out loud to hear what it sounds like.
6. Finish your editing (remember to check the punctuation).
7. Write it out and enjoy sharing it!

I really hope you have enjoyed the work we have done on poems. Mr Cash and I have been very impressed with the work you have sent in.

Miss Armit 😊
