

Bonjour Classe Trois 😊

**LO: I can introduce myself in French.**

Today we are revisiting how to introduce ourselves .

Watch this video all the way through twice (Youtube so parental supervision required).

Did you have a go at saying the words?

These are the five phrases we learned:

**Je m'appelle**                      I'm called

**Comment t'appelles-tu?**        What is your name?

**Moi, c'est...**                    I'm...

**S'il te plait**                      Please

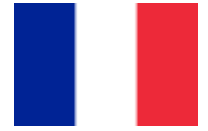

**Merci**                              Thank you

😊 Have a go at asking people in your house what their name is, then replying with your own name.

Last week we learned greetings. Watch the video again.
