

Can you help fill our Class 1 Jar of Kindness?

After you have listened to this week's storyshare ("Kind") can you think of a way to be kind? Perhaps you could help carry a heavy bag or share a story with someone or just give someone a smile. Maybe you could make a card for someone you are missing or video yourself singing your favourite nursery rhyme and send it to them. Let me know what you come up with and I will write your name and act of kindness on a piece of paper and add it to our jar.
