

Literacy challenge

Thursday 4th February

We have been looking at rhyming words this week and on Monday learnt more about these and identified the rhyming words in Incy Wincy Spider. Today in class we had a go at changing this rhyme and created a new version "Incy Wincy Dolphin".

Can you have a go at coming up with your own version with a different animal? Watch our performance in school and then pick your favourite animal (mine was sausage dog as suggested in school today!). Can you add your animal into the rhyme and perform it for me? I would love to see what you come up with!!

(A little tip. Your animal should have two syllables. If you are struggling to remember about syllables, watch the Supermovers video again. I told you it was my favourite!!
