

Monday English 22nd February 2021

The focus for the next two weeks is going to be on non-chronological reports, based around the wonderful world of Harry Potter!

LO: I can identify the Who? What? Where? When? and Why? in an information report.

It will greatly advance this week's work if you can watch part of the DVD of Harry Potter and the Philosopher's Stone – esp. the scenes where Harry, Ron and Hermione arrive at Hogwarts. There are a couple of clips [here](#) and [here](#).

Tasks:

1. Have a quick scan over the report about the model of Hogwarts that was used in all the Harry Potter films (*see resources*). Look at the 4 main pictures, notice the captions. Each caption has a short heading to lead you in to what it is about. You may also want to watch this short clip <https://www.youtube.com/watch?v=Etk3pl6uyII> (the music is quite out there – watch the volume!).

Read through the article more carefully. Can you spot how it answers any of these questions?

Who? _____

What? _____

Where? _____

When? _____

Why? _____

2. Think about these questions - *Would you like to go on a studio tour. What would you like to see? What else would you like to find out?*

Use the table below. You should try and write at least two or three things in each category so you will need to read the information given very carefully.

Give some reasons why you would like to go on a Hogwarts studio tour.	List the things you would most like to see?	What else would you like to find out? Write at least 2 or 3 questions.
