O LO: Can I explore the Slingsby Values and write a summary of what each one represents for me?

After viewing the input for this lesson, use the leaf templates below to write out each of the Slingsby values, what it means to you and what you can do to show it. Another option would be to draw your own leaves and write your comment about the Slingsby values. If these options are not available to you, you could write out your comment about each Slingsby value through Dojo using the input text option when you post on your portfolio. We can then print, cut and stick your points onto the leaf templates at school if you do not have the materials to do that at home.

Slingsby values:

- Respect
- Honesty
- Resilience
- Expectations
- Caring for others
