

Tuesday 2nd March 2021

LO: I am getting better at researching using a search engine what animals and their young are called.

.

Following on from our work in science last week when we classified animals and looked at the different animal groups; this week we are learning about animals and their young.

<https://www.bbc.co.uk/bitesize/clips/z8x76sg>

Watch the link above – you can see that not all babies look like their adults.

<https://youtu.be/PRog0Kv4ixI>

Can you complete the table below and tell me what the different animal babies are called. I have left a space free for you to choose an animal, draw it and then say what their young are called.

Animal	Young
 <p data-bbox="475 526 560 560">Rabbit</p>	
 <p data-bbox="491 633 560 667">Swan</p>	
 <p data-bbox="453 913 537 947">Alpaca</p>	
 <p data-bbox="453 1169 571 1202">Kangaroo</p>	
 <p data-bbox="453 1404 544 1438">Badger</p>	
 <p data-bbox="453 1619 544 1653">Jellyfish</p>	
<p data-bbox="188 1832 392 1865">Animal of choice</p>
