

Class 1: The case of the mysterious footprints

After you have watched Miss Pearce's video from the classroom, can you think about the sort of creature that might have left the giant footprints? Use this writing frame to help you record your ideas. I would love to see what you come up with!!

Where did the creature come from?

I think the creature came from

What sort of creature left the footprints?

I think the footprints belong to

Why are they in our classroom?

I think they are in our classroom because

How did the creature get into our classroom?

I think the creature
