O LO: Can I study the human and physical geographical features of a small area of the UK (Dorset - Jurassic Coast)?

## Starter:

Can you define the two terms below, using the PowerPoint input to help you?

Physical features in the environment are...

Human features in the environment are...

## Main:

After looking through the PowerPoint for the lesson today, can you identify the physical and human features that you can see in the images of the Jurassic Coast in Dorset. How can you tell that each feature is a physical feature or a human feature? Fill in your answers into the table below:

Physical features on the Jurassic coast	Human features on the Jurassic coast

Durdle Door on the Jurassic Coast, Dorset

## Extension:

Can you start to think about the impact of these human and physical features or the Jurassic Coast? What positive and negative impacts could they have on the people who live there and the people who visit? Make some notes of any thoughts below:
