

# Capital Letters and Full Stops

Luvakass the alien has been learning a lot about the world since his arrival on Earth from the planet Inko. However, one thing he has definitely not got the hang of is when to use capital letters and full stops.

Can you look at this letter he has written back to his family on Inko one sentence at a time and help him by correcting the mistakes he has made?

dear mum and dad
i have now been on earth for two weeks
it is very different to inko
people drive around in metal boxes
food is eaten by putting it in your face
water falls out of the sky a lot
i miss you all
love from luvakass
