

English Tuesday 2nd March 2021

We found in class that we didn't get to the paragraph writing about a part of Hogwarts in yesterday's lesson. We are going to do that today.

If you didn't get everything finished yesterday then you can do the same.

If you did get it all completed, then you deserve to take a day.

Get creative and write in a report style if you want but otherwise you have already worked hard to get to the point you are.
