

History Tuesday 2nd March 2021

LO: I can understand that famous athletes can have a significant impact on the culture around them.

The accompanying PowerPoint for this lesson is available through MS Teams in 'files' and 'Class Materials'

Task 1:

Have a look at the PowerPoint – read through the quotes from famous sportspeople. Which of these quotes means the most to you? Inspires you?

Write down why they think that is.

What do you think is the same/similar about the quotes?

Do you think there is one thing that great athletes have in common?

Task 2:

Read through the included 'Information Role Play' about Eric Liddell.

Is it surprising or crazy to you that Eric gave up running to work in China? Or do you understand that for Eric Liddell other principles were more important than the need to run?

Can you add his details onto your timeline from last week?

What is your goal in life? What motivates you to keep going and achieve success?
