

Write down some ideas about the people in the photos. You can include what they look like, what they do, what they enjoy, what they eat, where they live.

Photo montage

After you have done the task above, think back to last week when you learned about stereotypes...

...stereotypes are: *making assumptions about someone based on certain characteristics*. So far you have looked at stereotypes around gender, but today we are going to think about age (Y3) and disability (Y4).

I wonder what assumptions you made looking at the pictures in this task?
