

Thursday 25th November - Online learning

If you are feeling well enough today, have a go at the online learning below! Try to also complete 20 minutes of reading if you can, but make sure you get plenty of rest. That takes priority.

Take care,

Miss Secker 😊

Maths

O LO: Can I begin to find percentages of amounts?

Read the Bitesize article to recap finding percentages of amounts: [Find percentages of amounts - Year 6 - P7 - Maths - Home Learning with BBC Bitesize - BBC Bitesize](#)

Then, have a go at the questions below:

For one day only, we've cut the prices of all our stock for Twinkl Loyalty Card owners! Each item is now only a percentage of its full price. The loyalty card next to each item shows the percentage of the full price that the item costs in the sale.

Top tip: Use your knowledge of calculating 10%, 5% and 1% as well as 50% and 25% to help you calculate the sale percentages. Eg 48% of £15.00 could be worked out the following way.

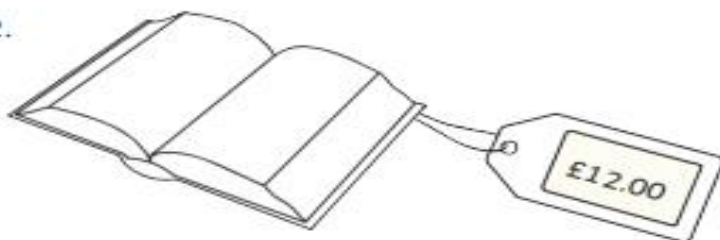

10% = £1.50	40% = £6.00
5% = £0.75	5% = £0.75
1% = £0.15	+ 3% = £0.45
	<hr/>
	48% = £7.20

Guided reading

Take some time today to read to yourself or to a family member for 20 minutes. The Sumdog game to practice your 5xTables is also available now, so feel free to play that today to practice for the next xTables test!

English

O LO: Can I start to write predictively and descriptively to determine which cabin I would be allocated in Percy Jackson?

Read along with Chapter 6 of Percy Jackson and the lightning thief to learn more about the cabins at Camp Half-Blood. Make notes of any ways that the cabins are described: [Chapter 6 ~ Percy Jackson and The Lightning Thief - YouTube](#)

Then, take some time over the lessons today and tomorrow to write a prediction/description of which cabin you would be placed into if you joined Camp Half-Blood and why. Think about which character traits are linked to each cabin when you listen to Chapter 6; which of the characteristics suit you as a person and, therefore, which cabin do you think you would be asked to stay in. Have a think. Would your cabin change as you became more settled at Camp Half-Blood? Develop as many ideas as possible in full sentences.

Afternoon activity - Theme

O LO: Can I use my knowledge of Ancient Greece so far (as well as other sources) to create a fact-file on a chosen God or Goddess?

Using the links below to support you, can you create a fact-file on an Ancient Greek God or Goddess of your choice? You may choose to build on our work in English by drawing/describing the symbol that represents them as well as what aspect of life they are said to represent. *Get creative!*
