LO: I am getting better at answering questions linked to the story of 'Emma Jane's Aeroplane' by Katie Haworth and Daniel Rieley.

1. Where does Emma-Jane fly to first?
2. What does the fox dislike?
3. Who does she meet in Venice?
4. How do you think Emma-Jane feels in the storm?
5. Where do they land the plane?
6. True or false. Emma-Jane takes all the animals back to her house?
7. Do you think this story is similar to others you have read?
8. If you collected an animal from somewhere just like Emma-Jane, what would the animal be and where would it come from?
