

## **Class 4 online learning: Tuesday 1<sup>st</sup> February**

If you are feeling well enough today, have a go at the online learning below! Try to also complete 20 minutes of reading if you can, but make sure you get plenty of rest. That takes priority. If you do complete the online learning today, please get in touch and send in images via ClassDojo; I would love to see how you have found the tasks!

Take care,

Miss Secker 😊

### **Morning activities**

#### **Morning starter**

Complete some quiet reading to start off your morning.

O LO: Can I practice mental arithmetic paper style questions?

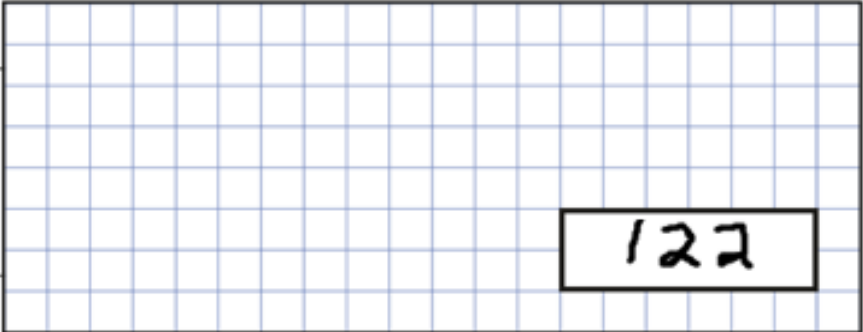

Take a look at the test paper style questions below. The answers to each question have been provided but I want you to think about the working out you would need to reach the given answer. Take your time with these and, if you need to use the GCP books from lockdown learning to support, please do.

Here's the answer...How did I get there?

You have been given the answers to each of the questions below. Can you show the working out to show how I got there?

<b>20</b>	$5,756 + 8,643 =$	<div style="border: 1px solid black; padding: 5px; display: inline-block;">14399</div>	<div style="border: 1px solid black; width: 40px; height: 20px; display: flex; align-items: center; justify-content: center;"><div style="width: 10px; height: 10px; background-color: white;"></div></div> 1 mark

#### Art

O LO: Can I investigate the painting style of Monet and the way in which he captured light reflecting on water?

Firstly, have a read through of the PowerPoint on our class page. Then, pick one of the images on the PowerPoint and see if you can recreate the reflection on water in the image by practicing your shading.
