French

Vive la sport! Numbers and alphabet

Art/DT

Viking shields/long ships, rune art and observational drawing

PE
Athletics

Literacy

Poems about animals: My favourite pet/ My favourite animal
Persuasive letters:
Traditional tales from a variety of countries

Important information

- Class 3 will be taught by Mr. Barker, with teaching assistant support from Mrs. Turner and Mrs. Corney.
- Please try and listen to your child read as often as possible. In school, each week your child will be heard read once with a comprehension focus and once with an inference focus, following our guided reading approach. We will also listen to individual readers each week.
- Children will change their reading books when they have finished their current book.
- Spellings will be given to pupils on Monday/Tuesday and tested on the following Monday so they have the weekend to help learn them. Please encourage your child to complete their 'look, cover, write, check' grid and write 5 interesting sentences, using words from their list and a range of punctuation.
- Children will require their P.E bags in school **all week** – including a pair of socks. PE sessions for Class 3 are timetabled to take place every Monday and Wednesday.
- Please actively encourage your child to learn their multiplication tables thoroughly, as secure knowledge and fluency will help their confidence in many areas of mathematics.

Mr. Barker
