DT - Electrical systems - Steady hand game
Drawing - Make my voice heard

English

Poems on a Theme: Science
Short Stories (Fiction): African Stories
Reports (Non-fiction): Re-wilding

Maths.

Year 5: Decimals and percentages
Perimeter and area
Statistics

Year 6: Fractions, decimals and percentages
Area, perimeter and volume
Statistics

- Class 4 will be taught by Miss Secker with teaching assistant support from Mrs McCandless, Mrs Scott and Mrs Robshaw.
- Please try and listen to your child read each evening. In school each week, your child will be heard read once with a comprehension focus and once with an inference focus.
- Children will change their reading books when they have finished reading their current book.
- Spellings will be given to pupils every Tuesday and tested on the following Monday so they have the weekend to help learn them. Please encourage your child to complete their 'look, say, cover, write, check' grid and write a minimum of 3 interesting, extended sentences in their spelling homework books, using words from their list and a range of punctuation. The children can also use their spelling work books as a place to practice their times tables for their weekly test.
- All pupils have a copy of their Sumdog logins in the front inside page of their spelling homework books to allow them to access times tables and general maths practice at home. When an optional task becomes available, a notice will be written on the weekly spelling lists. **Please get in touch if you or your child are unable to access their Sumdog login.**
- Children will require their PE bags in school **all week** - including a pair of socks. PE sessions for Class 4 are timetabled to take place every Monday and Thursday.
- Please actively encourage your child to learn the multiplication tables thoroughly, as sound knowledge will help their confidence in many areas of mathematics.
